★ **ACHIEVEMENT PIN CHALLENGE** ★

USA Archery is launching the 2026 Road to **JOAD Target Nationals Achievement Pin Challenge!**

This is open to every archer who earns a new JOAD Achievement pin between May 1 and July 15. Each new pin will grant the archer one entry, with every additional pin earning an additional entry to win some great prizes, including signed USAT Team Memorabilia, Titan NFC World Archery Trading Cards pack, and more.

The prizes will be presented during the Bullseye Bonanza, the kickoff party that will welcome athletes and their families to the **2026 WIAWIS USA Archery JOAD Target Nationals and JOAD U.S. Open**, which take place in Lincoln, Nebraska from July 22-26.

Pins earned by individual athletes will also contribute to their affiliated club total. The club with the most archers participating will receive an Equipment Prize Pack from USA Archery valued at **\$500!**

Club administrators can use the button below to submit an entry each time an archer earns a JOAD Achievement Pin. This is a great time to recruit parent volunteers to help with submitting survey responses.
