USA Archery Collegiate Target Nationals 2027-2028

USA Archery is pleased to invite your organization to bid on the U.S. National Outdoor Collegiate Championships.

USA Archery, formed in 1879 to foster and promote the sport of archery, is the only organization designated by the United States Olympic Committee to select and train athletes to represent the United States in the Olympic, Paralympic and Pan American Games. USA Archery is also recognized by World Archery (the International Archery Federation) to support athletes and teams to compete in World Championships, World Cups and other international competitions.

USA Archery is the governing body for competitive archery in the United States, a member of the United States Olympic and Paralympic Committee (USOPC) and is recognized by World Archery (WA) as the sole sanctioning body in the United States for the sport of Archery.

USA Archery owns the rights to various competitions and bids this right to the Local Organizing Committee (LOC) to host events. USA Archery retains the right to various media and sponsorship categories. The contract signed between USA Archery and the LOC will specify details.

The enclosed package outlines the requirements of the host organization. Your bid will be reviewed by the Events Team and CEO of USA Archery who will make a recommendation to the Board of Directors for the final decision.

Thank you for your interest in hosting the U.S. Collegiate Target Nationals. Please contact the USA Archery Events Team at events@usarchery.org with any questions you may have.

Rod Menzer
CEO, USA Archery

USA ARCHERY SPONSORSHIP GUIDELINES

Please be sure to note the following sponsorship guidelines soliciting sponsorship opportunities for the event.

USA Archery sponsors are listed below (and subject to change). As part of existing agreements USA Archery there are no conflicting sponsorship rights allowed at these events. The Local Organizing Committee (LOC) is permitted to submit a written request that will be reviewed on a case-by-case basis for selling sponsorship of the event; however, these sponsorships must not conflict with USA Archery sponsors. USA Archery sponsors are allowed booth space and to promote their materials at USA Archery events.

The LOC acknowledges that Commercial for-profit or other use of the USA Archery logos, trademarks, service marks and event logos is not allowed, nor is any use that is inconsistent with the legal rights of USA Archery or the [USA Archery Brand Style Guide](#). To create a consistent look and feel for all USA Archery Events, USA Archery grants to the LOC, during the term defined, a right and license to use specific marks to identify the event, in all media, and in connection with promotion, advertising, and marketing with prior written approval of the mark usage.
