

ELECTRONIC COMMUNICATIONS

Minor Consent Form

What qualifies as Electronic Communications?

Anytime an Adult Participant communicates electronically with a Minor Athlete, there must be a second Adult Participant copied or included that the communications are observable and transparent. This could include, but is not limited to, phone calls, videoconferencing, video coaching, texting, and social media.

The same applies to team communication. When an Adult Participant communicates electronically to the entire team or any number of Minor Athletes on the team, the Adult Participant must copy or include another Adult Participant or the Minor Athletes' parents/guardians.

All electronic communication originating from an Adult Participant(s) to a Minor Athlete(s) must be professional in nature unless an emergency exists.

Adult Participant: An Adult Participant is any adult (18 years of age or older) who is:

1. A member of USA Archery;
2. An employee or board member of USA Archery or a USA Archery Club or State Association;
3. Within the governance of disciplinary jurisdiction of USA Archery or a USA Archery Club or State Association;
4. Authorized, approved, or appointed by USA Archery or a USA Archery Club or State Association to have regular contact with or authority over minors.

If you are the Parent/Guardian of the Minor Athlete you do not need a consent form for yourself to have one-on-one electronic communications with your Minor Athlete.

Electronic Communications: All one-on-one electronic communications must be observable and transparent except if:

- An emergency exists; or
- A Dual Relationship exists; or
- The Close-in-Age Exception applies; or
- A Minor Athlete needs a Personal Care Assistant, and:

(1) the Minor Athlete's parent/guardian has provided written consent to USA Archery or USA Archery Clubs or State Associations for the Adult Participant Personal Care Assistant to work with the Minor Athlete; and

(2) the Adult Participant Personal Care Assistant has complied with the Education & Training Policy; and

(3) the Adult Participant Personal Care Assistant has complied with USA Archery's policy.

Open and Transparent means that the Adult Participant copies or includes the Minor Athlete's parent/guardian, another adult family member of the Minor Athlete, or another Adult Participant.

- If a Minor Athlete communicates with the Adult Participant first, the Adult Participant must follow this policy if the Adult Participant responds.

Only platforms that allow for Open and Transparent communication may be used to communicate with Minor Athletes.

If you have questions related to Minor Athlete Abuse Prevention Policies (MAAPP), for example, what qualifies as In-Program contact, a Dual Relationship, or a Close-in-Age exception, please review USAA's MAAPP [here](#).

Parents and legal guardians are encouraged to take the U.S. Center for SafeSport's education and training on child abuse prevention before providing consent for their Minor Athlete to have access to training modalities, massages, and rubdowns offered by a USAA contractor who is a licensed provider or the United States Olympic and Paralympic Committee (USOPC) medical provider subject to these policies. This training is accessible through USAA's Membership Services platform. For more information, please contact athletesafety@usarchery.org.
