USA ARCHERY'S (USAA) GUIDE TO MINOR ATHLETE ABUSE PREVENTION POLICIES (MAAPP) AND EVENT AUDIT COMPLIANCE

PURPOSE

The U.S. Center for SafeSport's ('the Center') Minor Athlete Abuse Prevention Policies (MAAPP) list several requirements to ensure athlete safety at events. This tool was modified from the Center's checklist to be specific to USA Archery (USAA) in order to assist Event Organizers and compliance with MAAPP Requirements.

If you require assistance or have any questions, the points of contact are as follows:

- Local, State, Regional, Collegiate: clubs@usarchery.org
- National: athletesafety@usarchery.org

If you would like to review the Center's references, they are available by topic as listed below:

- [MAAPP At-A-Glance](#)
- [MAAPP Transportation](#)
- [MAAPP Meeting and Training Sessions](#)
- [MAAPP In-Program Contact](#)
- [MAAPP Electronics Communication](#)
- [MAAPP Locker Room and Changing Areas](#)
- [MAAPP Athletic Training, Massages, and Rubdowns](#)

If you would like additional information as to why the below listed tasks are required, please contact athletesafety@usarchery.org.

Day-Of Participants and Event Personnel:

All Day-Of Participants and Event Personnel, to include Volunteers, Vendors, Coaches, and Officials, must be recorded on the event tracking tool, provided a copy of MAAPP, and information on how to report violations. An updated Event Tracking Tool may be submitted after the tournament.

USAA highly recommends maintaining a copy of the Event Organizer Check-In Packet on-site during the event, so that Event Organizers may access and utilize the event personnel tracking tool, MAAPP communications, organizational exclusion lists, and other resources.

SAMPLE DOS SCRIPTS

The U.S. Center for SafeSport's (hereafter, "Center") Event Audit Requirements require that the Event Organizer provide direct communication to registered competitors and event personnel, prior to the start of the event, of the MAAPP and information on how to report actual or suspected violations. Furthermore, it is required that any day-of participants also be provided MAAPP and information on how to report actual or suspected violations.

The Center's General Best Practices for Event Compliance Success advises Event Organizers to make announcements during the event about MAAPP requirements and how to report actual or suspected violations.

USA Archery has developed the below sample scripts to provide guidance and consistency among DOS announcements.

OPTION 1:

This is a reminder the Minor Athlete Abuse Prevention Policy (MAAPP) is required to be adhered to for the duration of the event.

To review this policy, visit USA Archery's SafeSport page and select Minor Athlete Abuse Prevention Policy Resources and Athlete Safety.

To report actual or suspected misconduct, visit USA Archery's SafeSport page and select 'Reporting'.

OPTION 2:

Reporting misconduct is vital to protecting athletes and preventing further incidents.

If you have a reasonable suspicion that child sexual abuse or neglect has occurred, the first step should be to make a report to law enforcement. Please also report sexual misconduct to the U.S. Center for SafeSport here: uscenterforsafesport.org/report-a-concern.

For all other reports of misconduct, go to usarchery.org and visit the SafeSport page complete the [USA Archery Athlete Safety Reporting Form](#) and submit to athletesafety@usarchery.org.

OPTION 3:

This is a reminder that all registered competitors, spectators, and event personnel are expected to adhere to the Minor Athlete Abuse Prevention Policy (MAAPP) for the duration of the event.

MAAPP is a proactive prevention policy that aims to prevent abuse of Minor Athletes in sport. MAAPP provides guidelines for one-on-one interactions between Adult Participants and Minor Athletes during In-Program activities, such as Events and Tournaments.

If you would like more information on the MAAPP or need to access Consent Forms, you can visit [USA Archery's Resource Center, under the Athlete Safety category](#) or visit USA Archery's [SafeSport Page](#).

Dear (Archer or Event Personnel),

In preparation for the upcoming [Insert Event Name], this email is a formal reminder that all registered competitors and event personnel at a USA Archery sanctioned event, are required to adhere to the [Minor Athlete Abuse Prevention Policies \(MAAPP\)](#) for the duration of the event.

WHAT IS MAAPP?

- MAAPP is a proactive prevention policy that aims to prevent abuse of Minor Athletes in sport. MAAPP attempts to accomplish this by providing guidelines for one-on-one interactions between Adult Participants and Minor Athletes during In- Program activities (i.e. Events, Tournaments, Camps, etc...).
- MAAPP is based on the premise that by limiting one-on-one contact and interactions between Adult Participants and Minor Athletes, we are providing a greater opportunity to ensure the safety of our Minor Athletes.
- MAAPP also requires specific credentialing of Adult Participants that will have regular contact with and/or authority over minors (i.e. Coaches, Judges, Event Organizers, etc...).
 - These Adult Participants must have a current USAA Membership or Non- Athlete Pledge, a current SafeSport training, and a current Background Screen on file. Furthermore, they must not be prohibited from participating in sport.
- MAAPP provides information on how to report an actual or suspected violation. MAAPP is the policy, and the SafeSport Code is what holds individuals or organizations accountable for policy violations.

*MAAPP does not apply to Adult-Only Programs

* An Adult Participant is any adult (18 years of age or older) who is a USA Archery member; An employee or board member of USA Archery or LAO; Within the governance or disciplinary jurisdiction of USA Archery or LAO; or Authorized, approved, or appointed by USA Archery or LAO to have regular contact with or authority over Minor Athletes.

SAFESPORT REPORTING

LODGING COMMON QUESTIONS

If lodging arrangements are organized between parents who are not Adult Participants, is that arrangement covered under the policy?

A: No. Lodging arrangements made between two parents, when neither are Adult Participants, would not be covered under the policy and no consent would be required.

Should the One-on-One Interactions Policy be followed when staying at hotels for a sanctioned event?

A: Yes. Any interaction between a Minor Athlete and an Adult Participant while staying at a hotel during a sanctioned event would be considered related to participation in sport and In-Program Contact. The MAAPP would need to be followed while at the hotel.

Should parents of Minor Athletes take abuse prevention training before In-Program Lodging occurs?

A: While it is not required that parents take training, it is recommended before granting consent for In-Program Lodging for their Minor Athlete. The U.S. Center for SafeSport provides parent training at athletesafety.org.
