U.S. Department of Veterans Affairs (VA) Veteran Monthly Assistance Allowance for Disabled Veterans Training in Paralympic and Olympic Sports Program (VA Monthly Training Allowance)

The VA Monthly Training Allowance. VA supports eligible military Veterans with service and nonservice-connected disabilities training and competing in Paralympic and Olympic sports. To do this, the VA Office of National Veterans Sports Programs & Special Events provides a monthly assistance allowance as authorized by 38 U.S.C. 322(d). For Paralympic sports, VA will pay the monthly allowance to a Veteran who meets the minimum performance standards or higher and classification standards in a sport. For Olympic sports, VA will pay a monthly allowance to a Veteran with a service-connected disability rated 30% or greater by VA who is selected for a national Olympic Team. For these sports, the national sport organizations include those of the US Olympic and Paralympic Committee and equivalent organizations in US Commonwealths and Territories. If a sport is not recognized as an Olympic or Paralympic sport or does not have an active US national program, by law it is not authorized for the VA Monthly Training Allowance program. The allowance rate is the same as the 38 U.S.C. Chapter 31 VR&E rates. Evaluative criteria differ from sport to sport; see the details for each Paralympic sport in pages 3-33. For more on classification visit International Paralympic Committee - IPC: https://www.paralympic.org/classification; and National - U.S. Paralympics: https://www.teamusa.org/US-Paralympics/Sports/Classification.aspx.

How to Enroll. Veterans must meet both the performance and classification standards for their respective sport. Athletes submit applications through the respective Paralympic or Olympic organization for their sport. Points of contact for Paralympic sports are provide in pages 3-33. Athletes must meet training and competition standards and turn in monthly and quarterly reports to continue receiving the allowance. The sport entity must certify the Veteran meets standards and report their certification to VA. Applications are submitted through the Stipends4Vets app and training materials on how to access and apply can be found at <u>this link</u>.

How to Stay Enrolled/Recertify. Unless waivered, athletes must meet the performance standards <u>every 12 months</u> to remain certified under the VA Monthly Training Allowance Program. The Veteran must provide proof of performance of achieving the VA Monthly Training Allowance standard or higher for his/her respective sport and sport class to the applicable Paralympic or Olympic Sport Program Manager. Achievement of a certified performance renews the 12-month period.

Re-Classified Veteran Athletes: If a Veteran athlete is reclassified within their current Paralympic sport during the competition season, the athlete will have six months to achieve the VA Monthly Training Allowance standard or higher in the athlete's new sport class. The athlete will remain on the VA monthly assistance allowance if all other standards continue to be met.

Veteran Athletes Changing Sports: Veteran athletes who choose to switch sports will be treated as "new athletes" and must achieve the VA Monthly Training Allowance standard or higher for his/her new respective sport and sport class. Once transitioned the Veteran must continue to meet the criteria for ongoing certification in the new respective sport.

VA Monthly Training Allowance Standard

Athletes must meet the following five (5) criteria:

- 1. Receive a national or international classification assessment as a B1, B2, or B3 athlete;
- 2. Be active on a United States Association of Blind Athletes (USABA)-recognized club team's roster;
- 3. Meet USABA training requirements with that team on a regular basis;
- 4. Establish a training and competition plan and submit monthly and quarterly progress reports to the USABA goalball high performance manager; and
- 5. Compete with that team or as a pool player in at least two USABA regional events AND the USABA national championship tournament.

NOTE: A club team is an organized team of goalball players who participate at least at one USABAsanctioned regional tournament during the goalball season.

NOTE: Regular training is defined as 4 days a week of goalball practice and/or strength and conditioning sessions during the goalball season timeframe of January to August. Off-season training must include 3 days a week of strength and conditioning sessions. Workout schedule must be provided and approved by the high performance manager.

NOTE: Unlike most other Paralympic team sports, USABA develops a pool of national goalball athletes and selects athletes for competitions from its national player pool on a more fluid basis than other sports that tend to have fixed National Team memberships.

SITTING VOLLEYBALL

Contact: Bill Hamiter or Elliot Blake Bill.Hamiter@usav.org_or 719-228-6800 Elliot.Blake@usav.org

VA Monthly Training Allowance Standard

Athletes must be selected to a development team or higher by USA Volleyball to be considered for the allowance.

NOTE: Due to the differences between USA Volleyball's resident and non-resident athlete programs, the following information provides information on the athletes' eligibility and activities under the different USA Volleyball programs.

- Eligibility
 - Athletes may attend clinics/tryouts held by national team staff or request an individual tryout at the national team training site (Edmond, Oklahoma) to be evaluated for consideration to join either the National Sitting Volleyball Team or the Sitting National Team Development Program (SNTDP). Once added to the National Team Training Roster or SNTDP, <u>athletes will be eligible for the allowance</u> provided the following conditions are met.
 - National Team Athletes
 - There are two categories of national team athletes, resident and nonresident. Each category has specific training and reporting requirements.
 - o Resident Athlete
 - To become a resident athlete, an athlete must have shown significant potential for development and be invited specifically by the respective national team head coach to begin training daily at the national team training site. Housing and education assistance may be available for resident athletes.

- Non-Resident Athlete
 - A Non-Resident Athlete will be responsible for training in their community.
 - As an athlete progresses through his/her development, there is an expectation for the athlete to become a resident athlete for at least a one to two-year period to immerse themselves in the training of the game. History has shown the advancement of an athlete who trains as a resident athlete at the national team training site develops their abilities at an exponential rate as compared to that of a non-resident athlete.
- National Team Athlete Training Requirements
- The required training and reporting standards are listed below:

National Team Resident Athlete

On-court skill training sessions at least five days a week and conducts strength and conditioning sessions three to five times a week (13 hours total minimum)

Required to attend all national team training camps and/or competitions, and any SNTDP Camps as determined by the national team head coach and/or the high performance director. USA Volleyball will cover all travel expenses to/from all national team training camps and competitions. USA Volleyball will determine if the cost of travel to an SNTDP camp or competition will be at the expense of the athlete or the national team.

National Team Non-Resident Athlete

On-court skill training sessions at least three days (minimum of six hours total) a week and conducts strength and conditioning sessions at least two times a week (minimum of two hours total). Eight hours total of training is the minimum requirement.

Required to attend all national team training camps and competitions, and any SNTDP camps as determined by the national team head coach and/or the high performance director. USA Volleyball will cover all travel expenses to/from all national team training camps and competitions. USA Volleyball will determine if the cost of travel to an SNTDP camp or competition will be at the expense of the athlete or the national team.

Non-resident athletes will find a training partner or coach to guide and assist in the training that will be provided by national team staff. The head coach will confirm the player's training partner or coach.

Non-resident athletes will film a portion of their on-court skill training and strength and conditioning workouts each week. The national team staff will give direction on what should be filmed. Film will be submitted to the appropriate national team staff member to be analyzed and critiqued to provide feedback to the athlete.

Non-resident athletes will maintain a log of skill workouts (drills completed, reps/time spent on drill and total time spent on workout) and strength and conditioning workouts (sets, reps, weight/time and total time spent on workout).

Non-resident athletes will use a web-based program (which is provided by the national sitting volleyball office) to log all activity on a weekly basis. Failure to report is failure to complete.

National Team Athlete Training Verification

All athletes will gain the sitting volleyball high performance director's signature once a month to verify the completion of the above-mentioned criteria. It is the responsibility of the athlete to submit all necessary forms in a timely manner for review and signature. It is the responsibility of the athlete to submit the approved paperwork to the VA according to their procedures and standards. Any falsification of documentation may result in the immediate dismissal of an athlete from the VA Monthly Training Allowance program, and possibly other sanctions, including team dismissal, from USA Volleyball.

Sitting National Team Development Program Athlete

New athletes who are identified and recruited to participate in USA Volleyball's Sitting National Team Development Program (SNTDP) will be eligible for the VA Monthly Training Allowance once they have participated in at least three training camps or competitions and maintain their attendance to have not missed no more than two SNTDP events of the previous five events held, on an on-going/rolling schedule.

Athletes will be expected to make their own travel arrangements to all camp or competition locations, at their own expense, and USA Volleyball will provide the necessary housing, meals, and local ground transportation to/from the local airports within the program's guidelines.

USA Volleyball recognizes that VA Monthly Training Allowance funds provided may exceed the expenses of attending all or the necessary minimum to be eligible to receive the VA Monthly Training Allowance funds, and strongly encourages athletes to utilize the extra funds to facilitate skill training in their community with a local volleyball coach and to improve their strength and conditioning at a local gym.

For questions regarding the VA Monthly Training Allowance standards or to request a tryout, please send an email to <u>sitting.volleyball@usa.org</u>.

The U.S. Olympic and Paralympic Committee recently authorized the U.S. Association of Blind Athletes as the initial National Governing Body for Blind Soccer. Contact USABA about the status of Blind Soccer opportunities as this Paralympic sport is under review for the allowance.

SOCCER (7-A-SIDE)

Contact: Stuart Sharp <u>ssharp@ussoccer.org</u>.

VA Monthly Training Allowance Standard

Athletes selected to at least three camps/events for the national 7-a-side Paralympic soccer team in a calendar year will be considered for the allowance.

Exceptions Effective January 1, 2022: Due to the COVID-19 pandemic, athletes selected to the national team and continue a US Soccer monitored training program will maintain qualifications until the next training camps/national team selection events are conducted or until this provision is rescinded.

NOTE: Athletes are invited to training camps/national team selection events based on coach's evaluation.

NOTE: Because currently there is not an active national 5-a-side Paralympic soccer team in the United States, only athletes competing in 7-a-side Paralympic soccer are eligible for the allowance. A national 5-a-side Paralympic soccer program is in development and athletes in 5-a-side Paralympic soccer if the goal of a national team is achieved.

VA Monthly Training Allowance Standard

Athlete must achieve the following seven (7) criteria:

- 1. Be a United States citizen;
- 2. Be classified in an International Surfing Association (ISA) Adaptive Surfing Classification Division;
- 3. Be a member of USA Surfing and/or one of USA Surfing's five (5) affiliate organizations (Western Surfing Association, National Scholastic Surfing Association, Hawaiian Surfing Association, Eastern Surfing Association, or Texas Gulf Surfing Association);
- 4. Adhere to the USA Surfing Athlete Code of Conduct;
- 5. Not be under a disciplinary review by USA Surfing or any of its affiliate organizations;
- 6. Compete in the minimum number of competitions as required by USA Surfing and/or USA Surfing's affiliate organizations to qualify for the organization's Prime Competition; and,
- 7. Rank in the Top 5 in USA Surfing or Top 3 in their affiliate organization.

NOTE: Athletes are ranked by classification division. Please contact <u>Classification@isasurf.org</u> with any questions related to classification.

TRIATHLON

Contact: Tim Bosn Tim.Bosn@usatriathlon.org

VA Monthly Training Allowance Standard

Athletes must achieve the below standards based on performance at any World Triathlon, Americas Triathlon, or any USA Triathlon sanctioned sprint triathlon in the calendar year

Sport Class	Average World Championship Finishing Time	Qualifying Standard
Male PTWC	1:00:46	1:18:59
Male PTS2	1:09:23	1:30:13
Male PTS3	1:11:16	1:32:39
Male PTS4	1:03:22	1:22:23
Male PTS5	59:59	1:17:59
Male PTVI	1:03:25	1:22:26
Female PTWC	1:16:02	1:38:51
Female PTS2	1:21:56	1:46:31
Female PTS3	1:22:53	1:47:46
Female PTS4	1:17:22	1:40:35
Female PTS5	1:09:59	1:30:59
Female PTVI	1:11:31	1:32:58

NOTE: Athletes must ensure that the race is a true sprint distance event – 750m swim, 20k bike, and a 5k run. No exceptions will be made to these distances.

NOTE: The chart above shows the finishing time an athlete needs to complete at the events above, to achieve the qualifying standard. For the qualifying standard, this calculation is 30% behind the average of the 2017/2018/2019 World Triathlon World Champion finishing time. *If an event is shortened to a duathlon then the race is void as a qualifier.*

Additionally, an athlete who achieves a spot on the USA Triathlon National A, B, or Emerging Teams has also achieved the military standard. The criteria for these teams can be found at www.usaparatriathlon.org.

NOTE: World Triathlon or Americas Triathlon sprint distance triathlon events can be found at <u>www.triathlon.org</u> The list of USA Triathlon events can be found at <u>www.usatriathlon.org</u>

NOTE: The importance of having true sprint distance triathlons (750m swim, 20k bike, and a 5k run) being the gold standard in determining someone's competitive eligibility is vitally important in determining who is top talent in paratriathlon. The sprint distance is the Paralympic distance and the one being contested at all international competitions as well as the Paralympic Games. Additionally, having access for Veterans to achieve race results is also a vitally **important so expanding the number of opportunities and reduce barriers to races is an** important in our programs evolution.
