

# World Archery Americas Webinars in 2025

(All scheduled times refer to the time in Medellin, Colombia )

<b>Date</b>	<b>Content and Goal/Contenido y Objetivo</b>	<b>Coordinator</b>
<b>13.05.2025</b> Tuesday 6:00 pm English	<b>Basic principles of bow set-up and tuning</b> Goal: to provide all the basic principles of set-up and tuning. This webinar is not for intermediate or advanced coaches or archers. It is intended to target new and emerging federations who have beginners to intermediate equipment.	Phil Graves Jeremey Frongillo
<b>03.06.2025</b> Tuesday 6:00 pm English	<b>Avoiding high draws – Tips for coaches</b> Goal: To provide coaching tips to avoid situations of archers being warned or disqualified for unsafe draws. This webinar is meant for coaches as well as for able-bodied and para-archers who are having issues with unsafe draws.	Derek Davis
<b>10.06.2025</b> Tuesday 6:00 pm English	<b>Starting off and maintaining good structure</b> Goal: to describe the body structures the archer must use to be in control of the bow during the whole shot process.	Phil Graves Rich Cockrell
<b>01.07.2025</b> Tuesday 06:00 pm English	<b>Organizing Para Events</b> Goal: this webinar is to be conducted as a panel in which people with experience as organizers of para events present their best practices. This webinar is meant to encourage the organization of para events.	Megan Tierney
<b>09.07.2025</b> Wednesday 06:00 pm English	<b>Tuning controls of the recurve bow</b> Goal: to discuss the controls that are used for vertical arrow movement and which controls adjust horizontal movement when tuning.	Rick Cockrell
<b>12.07.2025</b> Saturday 10:00 am English	<b>Equipment inspection in Field and 3D events</b> Goal: to provide judges with specific information regarding the inspection of equipment at Field and 3D events, including bow types as the longbow and The traditional bow. The Americas now have Pan Am Championships in these disciplines and we need our judges to be better prepared to conduct the inspection.	Bettina Kratzmuller

<b>17.07.2025</b> Thursday 06:00 pm English	<b>Compound bow basic set-up and tuning</b> Goal: to provide information and instructions on basic compound set-up and tuning.	Jeff Greer
<b>01.08.2025</b> Friday 6:00 pm English	<b>Women as sport leaders</b> Goal: to highlight the role of women as sport leaders. The challenges women usually face will be addressed, as well as the experience of successful women who have contributed their wisdom, will power and sensitivity to sport leadership at different levels.	Vidushi Persaud
<b>24.09.2025</b> Wednesday 6:00 pm English	<b>Judging at 18 meters tournaments</b> Goal: to provide information to the judges of the Americas on the specifics of judging events shot at 18 meters.	Robert Pian
<b>11.10.2025</b> Saturday 09:00 am English	<b>Para Archery and I</b> Goal: to address the role of archery in the life of archers with physical impairments. This webinar is expected to be inspirational to attract new people to archery as a very inclusive sport.	Jason Tabansky
<b>14.11.2025</b> Friday 6:00 pm English	<b>Athletes' online forum</b> Goal: to discuss the athletes' concerns and come up with proposals to have better events, structure the calendar, promote the sport of archery and renowned archers, change rules, and receive sponsorship, among other topics of common interest.	Roberto Hernández
<b>25.11.2025</b> Tuesday 06:00 pm English	<b>Making an Olympic archer</b> Goal: to provide information on various components of a long-term plan to prepare of an elite archer: form, physical training, psychology, nutrition, among others.	Tom Hinojosa Ludys Tejada
