SCOPE

The MAAPP Applies to “In-Program Contact” Within the Olympic & Paralympic Movement

The MAAPP is required for the U.S. Olympic & Paralympic Committee (USOPC), National Governing Bodies (NGB), Local Affiliated Organizations (LAO), and Paralympic Sport Organizations (PSO) within the Olympic & Paralympic Movement (each an “Organization”).

Some policies impose requirements on Organizations at sanctioned events and facilities partially or fully under the Organization’s jurisdiction. For example, Organizations must monitor locker rooms at their facilities and sanctioned events. Other policies impose certain requirements on Adult Participants under the Organization’s jurisdiction when the Adult Participant is having “In-Program Contact.” For example, Adult Participants cannot have one-on-one electronic communications with Minor Athletes that they coach.

Who is a Minor Athlete?

A **Minor Athlete** is an amateur athlete under 18 years of age who participates in, or participated within the previous 12 months in, an event, program, activity, or competition that is part of, or partially or fully under the jurisdiction of USA Archery or under the jurisdiction of a USA Archery State Associations or Club (LAO).

Partial or Full Jurisdiction: Includes any sanctioned event (including all travel and lodging in connection with the event) by USA Archery, or any facility that USA Archery or LAO owns, leases, or rents for practice, training, or competition.

Who is an Adult Participant?

An **Adult Participant** is any adult (18 years of age or older) who is:

1. A member of USA Archery;
2. An employee or board member of USA Archery or LAO;
3. Within the governance or disciplinary jurisdiction of USA Archery or LAO;

4. Authorized, approved, or appointed by USA Archery or LAO to have regular contact with or authority over Minor Athletes.¹

What is In-Program Contact?

In-Program Contact includes sanctioned events and facilities, but it also applies more broadly to sport-related interactions. **The MAAPP defines “In-Program Contact” as:**

Any contact (including communications, interactions, or activities) between an Adult Participant and any Minor Athlete(s) related to participation in sport.

Examples of in-program contact include, but are not limited to: competition, practices, camps/clinics, training/instructional sessions, pre/post game meals or outings, team travel, review of game film, team- or sport-related relationship building activities, celebrations, award ceremonies, banquets, team- or sport-related fundraising or community service, sport education, or competition site visits.

Does the MAAPP Have Any Exceptions?

Yes. The MAAPP was written with certain appropriate exceptions in mind. Exceptions are addressed in each policy and include:

1. A Close-in-Age Exception

This exception applies to certain policies and allows for In-Program Contact between an Adult Participant and a Minor Athlete if:

- a. The Adult Participant has no authority over the Minor Athlete; and
- b. The Adult Participant is not more than four years older than the Minor Athlete.

Note: This exception is different than the close-in-age exception in the [SafeSport Code](#) pertaining to misconduct.

2. Exceptions for Adult Participant Personal Care Assistants Working with a Minor Athlete

3. Exceptions for Dual Relationships

This exception applies to certain policies when the Adult Participant has a dual role or

¹ This may include volunteers, medical staff, trainers, chaperones, monitors, contract personnel, bus/van drivers, officials, adult athletes, staff, board members, and any other individual who meets the Adult Participant definition.

relationship with a Minor Athlete. The exception requires written consent of the Minor Athlete's parent/guardian at least annually.

Many of the exceptions require parent/guardian consent. The Center recommends parents take training on child abuse prevention before providing consent under these policies. The Center offers a free Parent Course at www.athletesafety.org.

Am I required to take SafeSport Training?

Certain Adult Participants within the Olympic & Paralympic Movement who have (i) regular contact with Minor Athletes, (ii) authority over Minor Athletes, or (iii) are employees or board members of the USOPC, NGBs, PSOs, or LAOs, are required to take training. The specific training requirements can be found in Part I.

E. Exemptions and Accommodations

1. Exemptions from this Education & Training Policy may be made on a case-by-case basis for victims/survivors. Requests may be made directly to the U.S. Center for SafeSport at exemptions@safesport.org.
2. The Center will work with USA Archery on appropriate accommodations for persons with disabilities and individuals with limited English proficiency to satisfy these training requirements. USA Archery and each LAO will provide reasonable accommodations and track any exemptions for individuals with disabilities and individuals with limited English proficiency.

PART II

REQUIRED POLICIES FOR ONE-ON-ONE INTERACTIONS

The U.S. Center for SafeSport recognizes that youth-adult relationships can be healthy and valuable for development. Policies on one-on-one interactions protect children while allowing for these beneficial relationships. As child sexual abuse is often perpetrated in isolated, one-on-one situations, it is critical that organizations limit such interactions between youth and adults and implement programs that reduce the risk of sexual abuse.

A. ONE-ON-ONE INTERACTIONS

1. Observable and Interruptible
 - a. All one-on-one In-Program Contact between an Adult Participant and a Minor Athlete must be observable and interruptible, except in emergency circumstances.
 - b. The exceptions below may apply to specific policies, and if the exceptions apply, they are listed in the policy. These exceptions also apply to all one-on-one In-Program Contact not specifically addressed in other policies:
 - i. When a Dual Relationship exists; or
 - ii. When the Close-in-Age Exception applies; or
 - iii. If a Minor Athlete needs a Personal Care Assistant, and:
 - (1) the Minor Athlete's parent/guardian has provided written consent to USA Archery or LAO for the Adult Participant Personal Care Assistant to work with the Minor Athlete; and

If a licensed mental health care professional or licensed health care provider meets one-on-one with a Minor Athlete at a sanctioned event or a facility, which is partially or fully under USA Archery's or LAO jurisdiction, the meeting must be observable and interruptible except:

- a. If the door remains unlocked; and
- b. Another adult is present at the facility and notified that a meeting is occurring, although the Minor Athlete's identity needs not be disclosed; and

APPENDIX A

ORGANIZATIONAL REQUIREMENTS FOR EDUCATION & TRAINING AND PREVENTION POLICIES

USA Archery (the “Organization”) must implement proactive policies designed to prevent abuse. These organizational requirements are described below.

A. Organizational Requirements for Education & Training

1. USA Archery must track whether Adult Participants under its jurisdiction complete the required training listed in Part I.
2. USA Archery must, on an annual basis, offer and, subject to parental consent, give training to Minor Athletes on the prevention and reporting of child abuse.
 - a. For training to Minor Athletes, the Organization must track a description of the training and how the training was offered and provided to Minor Athletes.
 - b. USA Archery is not required to track individual course completions of Minor Athletes.
3. USA Archery must, on an annual basis, offer training to parents on the prevention and reporting of child abuse.

B. Required Prevention Policies and Implementation

1. USA Archery must develop minor athlete abuse prevention policies that contain the mandatory components of the Center’s model policies in Part II. These model policies cover:
 - a. One-on-one interactions
 - b. Meetings and training sessions
 - c. Athletic training modalities, massages, and rubdowns
 - d. Locker rooms and changing areas
 - e. Electronic communications
 - f. Transportation
 - g. Lodging

2. The policies must be approved by the Center as described in subsection (C) below. The policies may include the recommended components in Part II as well as other recommended policies. Given the uniqueness of each sport, however, some recommended components or policies may not be feasible or appropriate. An Organization may choose to implement stricter standards than the model policies.
3. USA Archery must also require that its State Associations and Clubs (LAOs) implement these policies.
4. USA Archery and LAOs must implement these policies for all In-Program Contact.
 - a. At sanctioned events and facilities partially or fully under its jurisdiction, the organization must take steps to ensure the policies are implemented and followed.
 - b. For In-Program Contact that occurs outside USA Archery's sanctioned events or facilities, implementing these policies means:
 - i. Communicating the policies to individuals under its jurisdiction;
 - ii. Establishing a reporting mechanism for violations of the policies;
 - iii. Investigating and enforcing violations of the policies.
5. USA Archery must have a reporting mechanism to accept reports that an Adult Participant is violating USA Archery's minor athlete abuse prevention policy. USA Archery must appropriately investigate and resolve any reports received, unless the violation is reported to the Center and it exercises jurisdiction over the report. This requirement is in addition to requirements to report abuse under the SafeSport Code.

C. Policy Approval and Submission Process

1. USA Archery may adopt the MAAPP as-is or adapt it to fit their needs. Regardless, each Organization must submit their policies to the Center at compliance@safesport.org for review and approval by January 31, 2021. The Center will approve, approve with modifications, or deny the policies. If the Center denies the proposed policy, the mandatory components of Part II become the default policy until the Center approves the policy.
2. USA Archery must require their LAOs to incorporate the mandatory components of Part II. USA Archery may require that their LAOs implement the USA Archery's policies, which may be more stringent than the policies in Part II.
