# 2023 U.S. National Field Championships

## Darrington, WA

### June 23-25, 2023

#### THE FIELD ARCHERY ROUNDS

The Field Archery Rounds may be shot by the Barebow, Recurve and Compound Divisions, in separate divisions.  
Unmarked (unknown) distances, from 5 to 55 meters, depending on the division  
Marked (known) distances, from 5 to 60 meters, depending on the division  
The archer needs to plan and experiment with clothing and equipment in order to be prepared for “everything” he/she has to carry everything with him/her.

#### COACHES:

Coaches are permitted in the practice area and designated spectator areas throughout the course during competition.

#### PHOTOGRAPHERS:

Photographers will be credentialed by USA Archery and are bound by the USA Archery media policy. Please send questions and/or credentialing requests to Richard Fleming: [media@usarchery.org](mailto:media@usarchery.org)

#### DRUG TESTING:

Any archer may be subject to unannounced drug testing. Refusal to test may lead to disqualification.

#### CONCESSIONS:

Limited concessions will be available during the days of competition, so please plan accordingly.

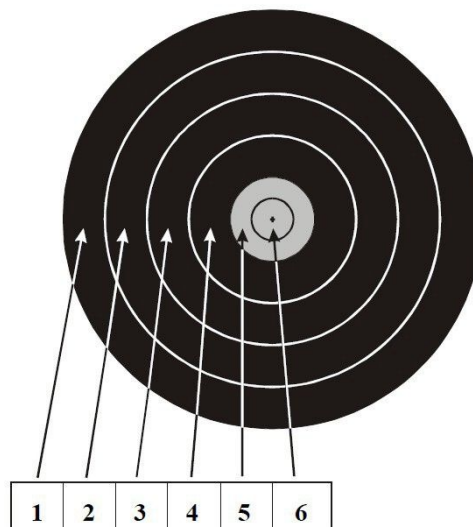

#### PRACTICE VENUE:

A practice area will be available on-site; however, this will only be open during designated practice times on competition days.

#### FIELD ROUND:

The Field round consists of two rounds of 24 targets each, one unmarked and one marked course.  
3 arrows per archer are shot at each target.
