

Intent to Compete
2023 World Archery Championships - Recurve
U.S. Team Trials

I intend to compete in the 2023 World Archery Championships – Recurve U.S. Team Trials through completion or until eliminated as written in the selection procedures. I have reviewed the eligibility guidelines in the selection procedures and also believe in good faith that I am eligible to compete, for the U.S. Team, if selected, for the 2023 World Archery Championships – Recurve team. I understand that if I am selected to the team, I will be expected to compete for the U.S. Team and adhere to all requirements set forth in the selection procedures.

I certify to USA Archery that I am a U.S. Citizen and I understand that I must provide proof of a valid U.S. passport prior to the trials event that does not expire until six months after the 2023 World Archery Championships - Recurve event. I also understand that if I withdraw from the trials events for any reason not listed below that I may be subject to a USA Archery Code of Conduct Violation for affecting the outcome of a trials event and may have to appear before the USA Archery Board of Justice for a hearing, which could result in a sanction. Such a violation may not exist in the following cases:

- Required military service.
- Death in the immediate family. Immediate family defined as your Partner and parents, children, stepchildren, fostered or adopted children, brothers, sisters, grandchildren, or grandparents, of either you or your Partner.
- Serious injury preventing the athlete from competing. Serious injury defined as one of the following:
 - Injury requiring emergency medical treatment where the athlete is hospitalized for one or more days that prevents an athlete from traveling or competing at the event.
 - Injury requiring emergency medical treatment where the athlete is treated by a physician and not allowed to compete due to doctor’s orders.
- Any other extenuating circumstance that is submitted in writing to USA Archery and subsequently approved at the discretion of USA Archery.
