

Intent to Compete Form
2024 Paralympic Games
U.S. Team Trials

I intend to compete in the 2024 Paralympic Trials Qualification Events and Paralympic Trials Event through completion or until eliminated as written in the selection procedures. I have reviewed the eligibility guidelines in the athlete election procedures and believe in good faith that I am eligible to compete, for the U.S. Team, if selected, for the 2024 Paralympic Games team. I understand that if I am selected to the team, I will be expected to compete for the U.S. Team and adhere to all requirements set forth in the selection procedures.

I certify to USA Archery that I will be a national of the United States at the date of nomination and I understand that I must have a valid U.S. passport that will not expire until six months after the conclusion of the Games. I also understand that if I withdraw from the 2024 Paralympic Trials Qualification Events and Paralympic Trials Event for any reason not listed below that I may be subject to a USA Archery Code of Conduct Violation for affecting the outcome of a trials event and may have to appear before the USA Archery Board of Justice for a hearing, which could result in a sanction. Such a violation may not exist in the following cases:

- Required military service.
- Death in the immediate family. Immediate family defined as your Partner and parents, children, stepchildren, fostered or adopted children, brothers, sisters, grandchildren, or grandparents, of either you or your Partner.
- Serious injury preventing the athlete from competing. Serious injury defined as one of the following:
 - Injury requiring emergency medical treatment where the athlete is hospitalized for one or more days that prevents an athlete from traveling or competing at the event.
 - Injury requiring emergency medical treatment where the athlete is treated by a physician and not allowed to compete due to doctor's orders.
 - Any other extenuating circumstance that is submitted in writing to USA Archery and subsequently approved at the discretion of USA Archery.
