Athlete Safety Procedures for USA Archery Event Organizers
Updated: January 2022

Overview

The Athlete Safety Procedures for USA Archery Event Organizers outline what steps event organizers must take to pre-authorize event access for all volunteers, media, vendors, medical personnel, athlete assistants, coaches and judges, etc. (hereafter, “Event Personnel”). Event organizers are encouraged to plan ahead to make sure all “Event Personnel” whose role requires them to have Regular Contact\(^1\) with athletes at a USA Archery sanctioned event or serve in a position of authority, have completed the proper requirements related to USA Archery Background Screening, U.S. Center for SafeSport Training and Membership/Non-Athlete Pledge. USA Archery and/or the U.S. Center for SafeSport may audit any USA Archery sanctioned event at any time to verify compliance either in person or through a request for compliance information.

It is the responsibility of each USA Archery event organizer, club and/or state association to monitor and enforce the requirements set forth in these procedures. As a reminder, the USA Archery [Code of Conduct](#), which includes provisions for adhering to the USA Archery [Safe Sport Policy and Background Screen Criteria and Review Policy](#), [SafeSport Code](#) and [Minor Athlete Abuse Prevention Policy](#) (which includes U.S. Center for SafeSport training requirements), is also included in the USA Archery Event Sanction form, Non-Athlete Pledge form, member terms and conditions, club and state association member agreement terms and conditions.

The following requirements should be adhered to at all sanctioned USA Archery events to include local, state, regional, national and international events. Event Organizers should refer to the Athlete Safety Procedures for Event Organizers Decision Making Assistant (Appendix A) at the end of this policy to help determine which requirements Event Personnel will need to complete prior to the event, depending on the structure of their event and that individual’s role at the event. Event Organizers should ask themselves the following questions in determining which requirements are necessary for which Event Personnel:

1. Does my USA Archery Sanctioned Event have MINORS (under age 18) competing?
2. Do Event Personnel have Regular Contact with athletes, or will their contact be incidental and observable?

\(^1\) Regular Contact is defined as ongoing interactions during a 12-month period wherein an Adult Participant is in a role of direct and active engagement with any Minor Athlete(s).

   Event organizers will need to manually send the email from Section 2 (b) above to all Event Personnel and registered competitors using their personal email service.

d. Event organizers will be required to provide proof of MAAPP communication to registered participants and “Event Personnel” upon request from USA Archery. Event organizers may send a separate email to Event Personnel using the same text noted above. Event organizers should keep a record of the email to Event Personnel.

e. Event Organizers should also post information on How to Report a MAAPP violation on any unlocked door that leads to an area that is not observable and interruptible (example restrooms/locker rooms etc.) for which competitors and spectators will utilize. Event organizers should also conduct random checks in these areas throughout the event to ensure areas remain safe. Please [click here](#) to access a customizable form to post at your event.

f. Event Organizers are also highly encouraged to post the MAAPP Communication in published event information.
Section 3: Adherence to the MAAPP

**Requirement:** Event organizers should proactively complete a risk assessment related to the MAAPP criteria and eliminate all vulnerabilities that may exist as related to the MAAPP when the event has minors registered as competitors.

**Implementation:** Per the MAAPP, event organizers should actively complete a risk assessment prior to each event to mitigate and/or eliminate applicable risks for:

- One on One Interactions
- Massage and Athletic Training Modalities
- Locker Rooms/Changing Areas
- Social Media/Messaging (Includes Texts and Emails)
  - No event communication should be sent to an individual minor athlete, but rather use group communications only and copy other adults, including the minor’s parents.
- Local and Team Travel

**Requirement:** If the USA Archery Sanctioned Event will not have minors competing, Event Personnel, depending on their role, may be subject to the following requirements (these requirements must be completed PRIOR to start date of the event):

**Implementation:** Event organizers will implement requirements based on Event Personnel roles as outlined below:

**Implementation:**

a. If the event is hosted on the USA Archery Sport:80 platform, any competitor who is listed on USA Archery’s Organization Exclusion List will automatically be prevented from registering for any event because a current USA Archery membership is required to register for a sanction event. An individual who is listed on USA Archery’s Organizational Exclusion List will have a Suspended status and will therefore not be able to proceed through the registration form.

b. If the event is not hosted on the USA Archery Sport:80 platform, event organizers will need to manually check the final participant registration list against the USA Archery Organization Exclusion list here. Any person on this list should be prohibited from participating at the event and also from serving in an “Event Personnel” role.

c. In all instances event organizers should make sure competitors and “Event Personnel” noted in Section 1 are not listed on the USA Archery’s Organization Exclusion list here.

Section 6: Event Personnel Tracking Tool

All event organizers should maintain a roster of “Event Personnel” for each sanctioned event, to include their role and verification that they have each completed the necessary requirements set forth above, prior to the start date of
the event. Please utilize the USA Archery “Event Personnel Tracking Tool” to record this information. USA Archery Event Organizers must submit an Event Tracking tool to USA Archery for every sanctioned event (send to: athletesafety@usarchery.org) and retain the “Event Personnel Tracking Tool” for a minimum of 5 years for purposes of USA Archery audit, upon request.

a. USA Archery Non-Athlete Pledge: “Event Personnel” who are not members of USA Archery will be required to sign the USA Archery Non Athlete Pledge found here. This pledge will be good for one year and must be signed annually. The event organizer should verify all “Event Personnel” have a Non-Athlete Pledge (or current USA Archery Membership) on file prior to the event. Event organizers will be required to provide proof of Non-Athlete Pledge verification for “Event Personnel” upon request from USA Archery.

b. U.S. Center for SafeSport Training: “Event Personnel” that are required to complete the online U.S. Center for SafeSport Training (see Section 1) can do so by logging in to the USA Archery membership services platform here. If the “Event Personnel” is not a USA Archery member he or she will be required to create a profile before the training will be accessible. This 90-minute training is FREE to all USA Archery members and “Event Personnel”. Upon completion of the training, “Event Personnel” will receive a certificate of completion, which can be shared with the event organizer. The event organizer should verify the U.S. Center for SafeSport training will be current through the date of the event.

c. USA Archery Background Screen: “Event Personnel” that are required to complete a USA Archery Background Screen (see Section 1 and Section 5) may do so by logging in to the USA Archery membership services platform here. If the “Event Personnel” is not a USA Archery member he or she will be required to create a profile before a background screen may be added. The cost will be $35* and the Background Screen will be good for two years from date of completion. Upon completion of the Background Screen, “Event Personnel” will receive a red or green light status update in their USA Archery account, which can be shared with the event organizer. The event organizer should verify the USA Archery Background Screen will be current through the date of the event.

d. USA Archery Organization Exclusion List: Event organizers will be required to ensure any “Event Personnel” are not currently listed as Suspended or banned from USA Archery.

e. Photographers and Media: To determine what requirements Photographers and Media must have, event organizers should review and adhere to the USA Archery Photo and Media Policy.

f. Event organizers are encouraged to issue wristband, or similar item, to Event Personnel to identify these individuals and monitor access to the field of play for those required to complete U.S. Center for SafeSport Training.
For more information on these procedures please contact athletesafety@usarchery.org.
Event organizers are required to complete the Event Personnel Tracking tool for each USA Archery Sanctioned event and provide a copy of the MAAPP email to all participating athletes and ALL Event Personnel. In addition, all competitors and Event Personnel should be checked against USA Archery’s Organizational Exclusion List. Event tracking tools should be submitted to athletesafety@usarchery.org before the start date of each event and remain on file in your records for 5 years.
