

## USA ARCHERY CHAMPIONS PURSE

---

The USA Archery Champions Purse is an optional opportunity to strike gold for shooting gold. An additional entry fee to the Champions Purse unlocks eligibility to win big payouts. At least the top third of participants in each division will earn payouts according to the below distribution chart. 100% of the buy-in goes to the purse and only "Champions Purse" athletes are eligible to win. Put your money where your mouth is with the USA Archery Champions Purse and earn some extra dough for making donuts with high scores at each national outdoor tournament this season!

At this time, the Champions Purse is available only for participants in the Senior men's and women's recurve and compound divisions.

For Outdoor events, the Champions Purse will be awarded based on final placement in the elimination matches. Archers not participating in the Champions Purse will be removed from the standings for the purposes of awarding Purse Payouts. If any archers are tied, payouts for archers in the tied places will be divided equally.
