

Judge Certification FAQ

1. What changes have been made to the USA Archery Judge Certification levels?

USA Archery's Judge Certification program has transitioned from a two level system to a three level system. The additional level was added as an entry level for judging at local events.

New Certification Levels	Previous Certification Levels
Level 1 Judge	
Level 2 Certified Judge	Certified Judge
Level 3 National Judge	National Judge

2. If I am a current Certified or National Judge, what will certification will I now have?

Current Certified Judges will now be Level 2 Certified Judges and current National Judges will now be Level 3 National Judges.

3. How do I access the USA Archery Education Hub?

Judge courses have been completely overhauled and will now be completed online through the USA Archery Education Hub. **Judges will follow the below steps for both new judge certifications and when renewing their certification:**

- Log in to their [USA Archery Membership Services Account](#)
- Click Personal Account
- Click Courses
- Register for appropriate Judge Course or Refresher Course
- Once registered, users will click Access USA Archery Education Hub, which appears in the menu of items under your Profile
- Users will be automatically directed to the USA Archery Education Hub and the appropriate course will appear on their Dashboard
- Once all requirements are complete, and the course(s) have been passed, the user's judge certification will automatically update in their USA Archery Membership Services Account

4. How do I become a Level 3 National Judge?

Level 2 Certified Judges can take the course to be a National Judge if they have been a Level 2 Certified Judge for two years and completed Judge duty at one USA Archery National-level outdoor tournament, plus one USA Archery National Indoor or National Field tournament prior to taking course. Level 2 Certified Judges will need to take both the online portion of the Level 3 National Judge Course and the in person practical portion of the Level 3 National Judge course.

5. Will USA Archery accept World Archery Online National Judge Course completion for the USA Archery National Judge Certification?

USA Archery will not accept the World Archery Online National Judge Course in place of the USA Archery Level 3 National Judge Course. The USA Archery courses are designed specifically for USA Archery judges and USA Archery events.

6. I previously took a USA Archery Regional Judge Seminar, will I have to take the online course when I renew my certification?

If you have attended a USA Archery Regional Judge Seminar, World Archery Americas Continental Judge Seminar, or World Archery Judge Seminar within three years of your certification expiration date then you will send an email to certifications@usarchery.org within 60 days of renewal. You will receive a coupon code to take the online refresher course for \$35.

7. How do I renew my Judge certification?

Renewal information can be found [here](#).
