MINOR ATHLETE ABUSE PREVENTION POLICIES

Effective Date: April 30th, 2019
INTRODUCTION

USA Archery, in partnership with the U.S. Center for SafeSport (the Center) is committed to building a sport community where participants can work and learn together in an atmosphere free of emotional, physical, and sexual misconduct.

Authority: Prevention Training and Policies

Federal law authorizes the Center to address the risk of emotional, physical, and sexual abuse of amateur athletes in the U.S. Olympic and Paralympic Movements. See Protecting Young Victims from Sexual Abuse and Safe Sport Authorization Act of 2017. This policy is based on recommendations and requirements from the Center.
TERMINOLOGY

**Jurisdiction**: Authority or control.

**Local Affiliated Organization (LAO)**: A State Association or local club that is directly affiliated with USA Archery.

**Minor, child or minor athlete**: An amateur athlete under 18 years of age.

With the exception of athletes who are members of the same team, Minor Athletes who reach the age of majority (i.e. 18 years of age) must adhere to the provisions found in the Minor Athlete Abuse Prevention Policies when interacting with minor athletes who are 14 years of age or younger.

Minor Athletes who reach the age of majority and then obtain a position of authority that presents a power imbalance, such as becoming a coach or official, must also comply with these prevention policies regardless of the age of the minor athletes with whom they will interact.
EDUCATION & TRAINING POLICY

The following adults at USA Archery and Local Affiliated Organizations (Collectively “USAA” for the purposes of this policy) shall complete training concerning child abuse prevention:

- Adult members at USAA who have regular contact with amateur athletes who are minors;
- An adult authorized by USAA to have regular contact with or authority over an amateur athlete who is a minor; and
- Adult staff and board members of USAA (with the exception of LAOs whose adult staff and board members have no contact with or authority over minor athletes).

1. Core Center for SafeSport Training

The above listed adults are required to complete training concerning child abuse prevention no later than March 23, 2019 or at minimum:

- Before regular contact with an amateur athlete who is a minor begins; or
- Within the first 45 days of initial membership, or upon beginning a new role subjecting the adult to this policy.

*Training other than the Core Center for SafeSport Training does not satisfy this policy.*

Refresher Course(s)

A refresher course is required on an annual basis effective the calendar year following the completion of the Core Center for SafeSport Training for each of the above listed adults through USAA beginning September 1, 2019.

A. Minor Athletes

USAA shall, subject to parental consent, annually offer and give training to members who are minors regarding prevention and reporting of child abuse.

USAA shall track:

B. Exemptions

Exemptions from this Education & Training Policy may be made on a case-by-case basis for victims/survivors. Requests may be made directly to the U.S. Center for SafeSport, ngbservices@safesport.org, or to USAA at safesport@usarchery.org.

The Center will work with USAA regarding appropriate accommodations for persons with disabilities to satisfy the training requirements herein.
POLICIES FOR ONE-ON-ONE INTERACTIONS

The majority of child sexual abuse is perpetrated in isolated, one-on-one situations. By reducing such interactions between children and adults, programs reduce the risk of child sexual abuse. However, one-on-one time with trusted adults is also healthy and valuable for a child. Policies concerning one-on-one interactions protect children while allowing for these beneficial relationships.

ONE-ON-ONE INTERACTIONS

a. Application
   This policy shall apply to:
   1) Adult members at a facility that is either partially or fully under the Jurisdiction of USAA;
   2) Adult members who have regular contact with amateur athletes who are minors;
   3) Any adult authorized by USAA to have regular contact with or authority over an amateur athlete who is a minor; and
   4) Adult staff and board members of USAA.

   (Collectively “Applicable Adult” for the purposes of this policy.)

b. Observable and Interruptible
   • One-on-one interactions between a minor athlete and an Applicable Adult (who is not the minor’s legal guardian) at a facility partially or fully under USAA Jurisdiction are permitted if they occur at an observable and interruptible distance by another adult.
   • One-on-one interactions between minor athletes and an Applicable Adult (who is not the minor's legal guardian) at a facility partially or fully under USAA Jurisdiction are prohibited, except in the circumstances described in subpart d of this section and under emergency circumstances.

c. Meetings
   • Meetings between Applicable Adults and minor athletes at a facility partially or fully under USAA Jurisdiction may only occur if another adult is present, except under emergency circumstances. Such meetings must occur where interactions can be easily observed and at an interruptible distance from another adult.
   • If a one-on-one meeting takes place in an office at a facility partially or fully under USAA Jurisdiction, the door to the office must remain unlocked and open. If available, it will occur in an office that has windows, with the windows, blinds, and/or curtains remaining open during the meeting.

d. **Meetings with mental health care professionals and health care providers**
   If a mental health care professional and/or health care provider meets with minor athletes at a facility partially or fully under USAA Jurisdiction, a closed-door meeting may be permitted to protect patient privacy provided that: (1) the door remains unlocked; (2) another adult is present at the facility; (3) the other adult is advised that a closed-door meeting is occurring; and (4) written legal guardian consent is obtained in advance by the mental health care professional and/or health care provider, with a copy provided to USAA.

e. **Individual training sessions**
   Individual training sessions between Applicable Adults and minor athletes are permitted at a facility partially or fully under USAA Jurisdiction if the training session is observable and interruptible by another adult. It is the responsibility of the Applicable Adult to obtain the written permission of the minor’s legal guardian in advance of the individual training session if the individual training session is not observable and interruptible by another adult. Permission for individual training sessions must be obtained at least every six months. Parents, guardians, and other caretakers must be allowed to observe the training session.

f. **Out-of-program contacts**
   Applicable Adults are prohibited from interacting one-on-one with unrelated minor athletes in settings outside of the program that are not observable and interruptible (including, but not limited to, one’s home and individual transportation), unless parent/legal guardian consent is provided for each out-of-program contact. Nonetheless, such arrangements are strongly discouraged.

c. **Use of Recording Devices**
   Use of any device’s (including a cell phone’s) recording capabilities, including voice recording, still cameras and video cameras in locker rooms, changing areas, or similar spaces at a facility under USAA’s Jurisdiction is prohibited.    - If USAA is using a facility that only has a single locker room or changing area, it will designate separate times for use by Applicable Adults, if any.
