NATIONAL RANKING SYSTEM

National Ranking System 101

UPDATED MAY 2020 BECAUSE OF COVID19 PANDEMIC

Please see Section 4. for important updates to required events and NRS calculations

Purpose: The National Ranking System (NRS) is utilized by USA Archery for the purposes of selecting athletes to the senior National Team, International Events, and USOPC Support Programs.

Eligibility Guidelines

The NRS Ranking is provided for USA Archery members in good standing who have a valid U.S. passport. If an athlete does not have a valid U.S. passport, they must have resided in the USA for one year while they are allowed to achieve ranking points and after the end of that year, they need to obtain written permission of the Member Association, if any, of the country from which he/she has a valid passport prior to actually competing for USA Archery.

Fundamental Components:

1. **National Event Placement Points – calculated by including:** _____ (page 1 & 2)
 - a. Qualification Round Placement
 - b. Single Arrow Average (SAA) Placement During Elimination Round Matches
 - c. Elimination Round Placement
2. **International Success Points – calculated by including:** _____ (page 3)
 - a. World Cup Stages Placement
 - b. World Championship, Olympic and World Cup Final Placement.

National Event Placement Points Defined:

1. **Qualification Round Placement:**

Eligible archers will be ranked based on their Qualification Round Scores, receiving a Qualification Round Placement.

2. **SAA Placement During Elimination Round Matches:**

Eligible archers will receive placement points based on their SAA amongst the other eligible archers in the competition. SAA Values will be rounded to the nearest thousandth, rounding up at .0005 and above. Ties within SAA values will remain when factoring an archer's SAA Placement.

3. **Elimination Round Placement:**

Eligible archers eliminated in the 1/8, 1/16, and 1/32 rounds of competition will have their Elimination Round Placement determined by their SAA of the match in which they were eliminated.

(i.e., All archers in the 1/8 Round will have their Elimination Round Placement separated against all archers eliminated in the 1/8 Round, using the archer's SAA of the 1/8 Round. This is also the case for all archers eliminated in the 1/16 and 1/32 Rounds.)

Calculating an Athlete's Event Placement Points:

1. Three Fundamental Components

The three components of the event placement points will be weighted to calculate an archer's Event Placement Point. The formula rewards archers for a high level of performance in all three fundamental components. An archer's Event Placement Point provides a comprehensive overview of the archer's performance for a given competition.

-Qualification Round Placement	40%
-Single Arrow Average Placement	20%
-Elimination Round Placement	40%
Event Placement Points	100%

2. Calculating an Archer's Event Placing Point

$$((\text{Qualification Round Placement} \times .40) + (\text{Single Arrow Average Placement} \times .20) + (\text{Elimination Round Placement} \times .40)) = \text{National Event Placement Point}$$

3. Example A:

$$((7^{\text{th}} \text{ Place} - \text{Qualification Round} \times .40) + (6^{\text{th}} \text{ Place} - \text{Single Arrow Average} \times .20) + (9^{\text{TH}} \text{ Place} - \text{Elimination Round} \times .40)) = ((7 * .40) + (6 * .20) + (9 * .40)) = (2.80 + 1.20 + 3.6) \text{ National Event Placing Point} = 7.60$$

4. Example B:

$$((10^{\text{th}} \text{ Place} - \text{Qualification Round} \times .40) + (7^{\text{th}} \text{ Place} - \text{Single Arrow Average} \times .20) + (10^{\text{TH}} \text{ Place} - \text{Elimination Round} \times .40)) = ((10 * .40) + (7 * .20) + (10 * .40)) = (4.00 + 1.40 + 4.00) \text{ National Event Placing Point} = 9.40$$

Elimination Round Placement determined by SAA of eliminated match.

EXAMPLE:	Qual Round Place			1/16 Round		1/8 Round		SAA of ELIM. MATCH	Semi Finals	Finals	Total Score Shot in Matches	Total # of Arrows Shot in Matches	Single Arrow Avg. Score	Single Arrow Avg. Place	Elim. Round Place	USAT Placing Points
