In addition to complying with the Code, **USAA** is also required, either by the United States Olympic and Paralympic Committee (“USOPC”) Bylaws and/or written agreement, to abide by all other applicable policies and procedures regarding athlete safety set forth by the USOPC, including but not limited to the USOPC Athlete Safety Policy found [HERE](#). Under such USOPC policies, the USOPC may assert jurisdiction over certain allegations or refer the matter to **USAA** and will be processed by **USAA** as set forth above.

WILLFULLY TOLERATING SAFESPORT CODE VIOLATIONS

Willfully tolerating violations of the SafeSport Code is unacceptable and a violation of this policy and the Code. It is a violation of the Code if a party knows of misconduct but takes no action to report it. You may file a report of misconduct as set forth in the Reporting section below.

FALSE AND MALICIOUS ACCUSATIONS

Any person who makes a false, frivolous or malicious complaint of misconduct (as contrasted with complaints which, even if erroneous, are made in good faith) will be subject to disciplinary action. Depending on the nature of the allegation, a person making a false, frivolous or malicious report may also be subject to civil or criminal proceedings.

REPORTING, COMPLAINTS, INVESTIGATIONS, AND DISCIPLINE

Every Covered Participant must report violations of the Code (including violations of any Minor Athlete Abuse Prevention Policy) and suspicions or allegations of misconduct. All cases of suspected emotional, physical or sexual

abuse of a minor (under the age of 18) must be reported to law enforcement immediately. Filing a report with the Center and/or **USAA** does not satisfy this obligation.

USAA and the U.S. Center for SafeSport recognize that it can be difficult to report an allegation of misconduct and strives to remove as many barriers to reporting as possible. **Anonymous reports may be made in writing as set forth below and there isn't any filing fee.** However, an anonymous report may limit **USAA's** ability to investigate and respond to a report. Thus, **USAA** strongly encourages those making a report to provide their name and contact information.

TO REPORT TO THE U.S. CENTER FOR SAFESPORT - CLICK:

<https://safesport.org/report-a-concern>. If possible, please copy **USAA** at athletesafety@usarchery.org, so that **USAA** may implement any necessary interim measures, if applicable.

Please report all issues falling outside of the Center's authority to **USAA** at athletesafety@usarchery.org.

TO REPORT TO USAA: Please visit www.usarchery.org to download and complete the **USAA** Athlete Safety Reporting Form and submit to athletesafety@usarchery.org. In the event that any party is alleged to have violated the Code, or in the event that **USAA** receives a complaint or a report that is required to be referred to the U.S. Center for SafeSport, **USAA** shall report and refer such matter to the U.S. Center for SafeSport which shall have jurisdiction and authority over such matter; provided that such referral shall not supersede any local, state, or federal reporting requirements or jurisdiction.

All alleged violations over which the U.S. Center for SafeSport Response and Resolution Office does not exercise either exclusive or discretionary authority and falls within **USAA's** jurisdiction – employee/volunteer matters will be handled pursuant to employee policies and procedures, and issues falling under the Ted Stevens Olympic and Amateur Sports Act (the "TSOASA") will be submitted to a hearing panel appointed by the **USAA** Board of Justice for resolution pursuant to the complaint procedures set forth in Article XV of the **USAA** Bylaws (available on the **USAA** website). In an attempt to encourage reporting, a report initiated as set forth in this Policy will be considered to be filed properly (i.e., such filing does not have to follow the filing requirements of **USAA** Bylaws Article XV, Section 15.3). If such an alleged violation occurs when a team sponsored by **USAA** or the USOPC is traveling to or from, or participating at, a competition and it is necessary to expedite the proceeding in order to resolve a matter relating to the competition, such matter shall be resolved pursuant to the expedited procedures set forth in Section 15.10 of Article XV which require that such complaint shall be heard and decided within twenty-four (24) hours of the filing.

The hearing panel will determine whether a violation of the Code has occurred and if so, what discipline is warranted. Such discipline may include but is not limited to immediate dismissal from a **USAA** training camp, event or program, or a **USAA** or USOPC sponsored team; being precluded from participating at **USAA** or USOPC sanctioned events or other competitions; and being sent home at such person's own expense.
