- l. Ensures that the Board and management are properly structured and prepared to act in case of an unforeseen corporate crisis;

Section 7.3. Qualifications.

Each director of the Board of Directors must be a citizen of the United States and eighteen years of age or older. Each director of the Board of Directors will be required to complete and maintain a USCSS training and current USAA background screening for the duration of their service on the Board. A director need not be a resident of Colorado.

A director shall (i) have the highest personal and professional integrity, (ii) have demonstrated exceptional ability and judgment, (iii) possess an understanding of athletic competition and the Olympic ideals, (iv) have diverse experience in the key business, financial, and other challenges that face USAA, (v) have experience and capability in Board oversight responsibilities, including in the areas of finance, marketing, fundraising, audit, management, communications, and sport, and (vi) be effective, in conjunction with the other members of the Board, in collectively serving the long-term interests of USAA. At least one of the independent directors, who shall also serve on the Audit Committee, shall have financial expertise.

Members of the Board of Directors shall be selected without regard to race, color, religion, national origin, sexual orientation, gender identity and sex (provided that to the extent USAA conducts separate male and female programs), it shall provide for reasonable representation of both males and females on the Board of Directors.

Directors shall inform the N&GC (“N&GC”) of any changes in their employment responsibilities or other constraints on their time for the N&GC to determine whether it is appropriate to nominate the Board director for continuing Board service.

Section 7.4. Number of Directors and Composition of the Board.

The Board of Directors shall consist of fifteen (15) total voting directors, and one non-voting director (exception noted below) comprised as follows:

- a. Five (5) voting representatives of the Athlete members of USAA, one (1) of whom shall be the USAA representative to the USOPC Athletes’ Advisory Council, one (1) of whom shall be from the Para Athlete Advisory Council, one (1) of whom shall be from the Athlete Advisory Council and competing in the compound discipline and two (2) of whom will be at-large athlete members of USAA, who meet the “Eligible-Athlete” definition set forth below, as well as the Qualifications in 7.3, of which at least one (1) must be female (collectively, the “Athlete Directors”). Athlete Directors shall equal at least 33.33% of the Board of Directors. All Athletes will need to meet the criteria set forth for either an

“Eligible Athlete” or an “Eligible Athlete”. The alternate USAA representative to the USOPC Athletes’ Advisory Council shall have an automatic seat on the Board of Directors as a non-voting member. However, the alternate USAA representative to the USOPC Athletes’ Advisory Council, when present, shall be permitted to vote when the USAA representative to the USOPC Athletes’ Advisory Council is absent from the meeting.

Eligible 10 Year Athletes shall be defined as:

10 Year Athletes (“Eligible Athlete”) are those individuals: (i) who have represented the United States as athletes in the Olympic Games, the Pan American Games, World Championships or World Cup competitions in the sport of Archery within the ten year period prior to the time of election (by the nomination deadline).

10 Year Para Athletes (“Eligible Para Athlete”) are those individuals: (i) who have represented the United States as athletes in the Paralympic Games, the Para Pan American Games, Para Pan Am championships or Para World Championships within the ten year period prior to the time of election (by the nomination deadline).

Throughout these Bylaws, where an Eligible Athlete or Eligible Para Athlete representative is referenced, the following norms will apply: Time measurement for the 10 years is based on the date of the athlete representative’s election/selection; this measurement applies without adjustment or expiration throughout the term of the position held by the athlete representative; in cases where the representative’s seat derives from an underlying office (e.g., a USAA Board, Committee, AAC or Para AAC) this measurement is made as of the time of election/selection to that underlying office;

- b. One (1) representative of the Coach members of USAA (the “Coach Director”).
- c. One (1) representative of the Judge members of USAA (the “Judge Director”).
- d. One (1) at-large representative who shall be a member of USAA’s general membership.
- e. Two (2) representatives of the Registered Clubs members of USAA (one (1) from Registered Youth Clubs and one (1) from Non-Youth Registered Clubs (Adult and Collegiate) of USAA (the “Grassroots Directors”).
- f. Four (4) independent directors (the “Independent Directors”) as defined in Section 7.6. Independent Directors shall equal at least 25% of the Board of Directors.
- g. One representative of the National Field Archery Organization (NFAA) as defined in Section 7.5(j).

With regard to the Board members set forth in subsection (b), (c), (d), (e) and (g), they shall be drawn from appropriate representation in the U.S. Archery community, with no single constituency having been involved in selecting a majority of directors.

Section 7.5. Nomination and Election.

The USAA Board of Directors shall be nominated and elected in the following manner:

- a. No Multiple Candidacies. No person may, in any one election, be a candidate for more than one position on the Board of Directors.
- b. Once the Nominations and Governance Committee (“N&GC”) has determined that the nominee for a Director position is qualified to serve if elected, the nominee will initiate a membership with USAA (if not already a member) and complete the background screening required to be on the election ballot. The Director will complete a USCSS training through the USAA membership system within 45 days of being elected. An Independent Director candidate who initiates a membership solely for the purpose of completing the required background screening and USCSS training will not be considered as having a material relationship with USAA.
- c. Board of Director seat elections will be conducted using instant run-off voting (IRV) or “ranked choice voting” in which voters rank candidates by preference on their ballots. If a candidate wins a majority of first choice votes (50% +1), they are declared the winner. Should no candidate win a majority of first choice votes, the candidate receiving the least number of votes in the first round is eliminated. The votes of the eliminated candidate are then distributed to the second choice indicated by the vote. In each round, each voter’s ballot shall count as a single vote for whatever continuing candidate the voter has ranked highest. The candidate with the fewest votes after each round shall be eliminated until only two candidates remain, with the candidate then receiving the greatest number of votes (which will always be over the 50% threshold by definition) being elected. If any of the candidates are tied at the end of the first count, the tie is broken by using a count of second choice votes, using only the second-choice votes of the tied candidates. Any subsequent ties in later counts are to be broken by the previous count of the tied candidates.
- d. The USOPC AAC Athlete Director will be USAA's representative to the USOPC Athletes Advisory Council, elected pursuant to Section 12.3 of these Bylaws. The Compound Athlete Director, Para Athlete Director and at-large Athlete Directors shall be elected pursuant to Section 11.7 and 11.16 of these Bylaws. All athlete representatives must be directly elected to USAA’s Board by the pool of athletes who meet the requirements of an “Eligible Athlete” and “Eligible Para Athlete” and are citizens of the United States and eighteen years of age or older.
- e. The Coach Director will come from Coach members of USAA who are in good standing. At the appropriate time, the N&GC will solicit nominations of coaches who are Coach members, Level Two and above, in accordance with procedures to be established

by the Board of Directors Election Policy. The nominees will be considered by the N&GC to determine that they each meet minimum qualifications to serve if elected. The Ethics Committee will conduct a review of nominee materials and report to the N&GC whether a candidate has a conflict in any areas which would preclude them from serving on the Board of Directors per the USA Archery Conflict of Interest Policy. N&GC will then request that nominees initiate a background screening through the organization's membership system. Following successful completion of the nominees' background screening and confirmation that there are no current USCSS adjudications, the names of all qualified nominees who shall then stand for election will be announced. All current USAA Coach members (as defined in Section 5.1 of these Bylaws) in good standing shall then vote for the Coach Director in accordance with procedures to be established by USAA. Each USAA Coach member in good standing shall have one vote.

f. The Judge Director will come from nominations made by Judge members of USAA whose Level 2 Certified or Level 3 National Judge certification is in good standing. At the appropriate time, the N&GC will solicit nominations of individuals who are currently certified Judge members, in accordance with procedures to be established by the Board of Directors Election Policy. The nominees will be considered by the N&GC to determine that they each meet minimum qualifications to serve if elected. The Ethics Committee will conduct a review of nominee materials and report to the N&GC whether a candidate has a conflict in any areas which would preclude them from serving on the Board of Directors per the USAA Conflict of Interest Policy. The N&GC will then request that the nominee's initiate a background screening through the organization's membership system. Upon successful completion of the nominees' background screening and confirmation that there are no current USCSS adjudications, the names of all qualified nominees will be presented to the Judge members for election. All current USAA certified Judge members (as defined in Section 5.1 of these Bylaws) in good standing shall then vote for the Judge Director in accordance with procedures outlined in the Board of Directors Election Policy. Each USAA Judge member in good standing shall have one vote.

g. At an appropriate time, the N&GC will solicit nominations of individuals who are eligible voting members to serve as the At-Large Director to be elected, in accordance with procedures to be established by the Board of Directors Election Policy. The nominees will be considered by the N&GC to determine that they each meet minimum qualifications to serve if elected. The Ethics Committee will conduct a review of all qualified nominee materials and report to the N&GC whether a candidate has a conflict in any areas which would preclude them from serving on the Board of Directors per the USAA Conflict of Interest Policy. The N&GC will then request that the nominees initiate a background screening through the organization's membership system. Upon successful completion of the nominees' background screening and confirmation that there are no current USCSS adjudications, the names of all qualified nominees who shall then stand for election will be announced. Any individual member who is entitled to vote as defined on Section 5.2 of these Bylaws shall be eligible to vote for the At-Large Director. Each qualified voter will have one vote.

h. The Grassroots Directors will come from individual nominations who are endorsed by USAA Registered Clubs to serve as the Grassroots Directors in accordance with procedures outlined in the USA Archery Board of Directors Election Policy. The nominees for the Grassroots Directorship will provide endorsement from leadership (Admins or Directors) of a registered Youth or Non-Youth Club which is in good standing depending on the Grassroots Director seat to be elected. The nominees will be considered by the N&GC to determine that they each meet minimum qualifications to serve if elected. The Ethics Committee will conduct a review of nominee materials and report to the N&GC whether a candidate has a conflict in any areas which would preclude them from serving on the Board of Directors per the USAA Conflict of Interest Policy. The N&GC will then request that the nominees initiate USAA membership (if not already a member of USAA) and background screening through the organization's membership system. Upon successful completion of the nominees' background screening and confirmation that there are no current USCSS adjudications, the N&GC will then present the names of all qualified endorsed nominees by a Registered Youth Club or all qualified nominees from Non-Youth Registered Club for election depending on which Grassroots Director seat is up for election. All current registered USAA Youth or Non-Youth Clubs in good standing (depending on the Grassroots Director seat up for election) shall then vote for their respective Grassroots Director in accordance with procedures outlined in the USAA Board of Directors Election Policy and Section 5.2a of the Bylaws. Each USAA Registered Youth or Non-Youth Registered Club in good standing shall have one vote in their respective category.

i. At an appropriate time, the N&GC will solicit nominations of individuals to serve as the Independent Directors to be selected in accordance with procedures outlined in the USAA Board of Directors Election Policy. In soliciting or identifying nominees, the N&GC will consider the necessary expertise and diversity determined by the USAA Board of Directors and that nominees meet minimum qualifications to serve. The Ethics Committee will conduct a review of nominee materials and report to the N&GC whether a candidate has a conflict in any areas which would preclude them from serving on the USAA Board of Directors per the USAA Conflict of Interest Policy. The Board of Directors will determine if the final slate of candidates meets the experience and diversity requirements that were communicated to the N&GC. The N&GC shall then identify the Independent Director to be selected from among nominated individuals determined by the N&GC to be independent in accordance with Section 7.6 of these Bylaws. The N&GC will request that the selected individual become a USAA member for the purpose of initiating a background screening and completing the USCSS training through the organization's membership system and confirm that there are no current USCSS adjudications before the selection to the seat is finalized. One of the 2021 selected Independent Directors will be chosen to serve a two-year term to implement the staggering of terms for Independent Directors. This two-year term will be considered a full term.

j. The NFAA Director shall be appointed by the NFAA. The nominee shall complete a background screening and complete the USCSS training via the USAA membership system. The Ethics Committee will conduct a review of nominee materials and report to

the N&GC whether a candidate has a conflict in any areas which would preclude them from serving on the USAA Board of Directors per the USAA Conflict of Interest Policy.

Section 7.6. Independence.

The Board, through its N&GC, shall affirmatively make a determination as to the independence of each independent director, and disclose those determinations. Each “independent director” shall be determined to have no material relationship with USAA, either directly or through an organization that has a material relationship with USAA. A relationship is "material" if, in the judgment of the N&GC, it could interfere with the director's independent judgment. In determining whether a director is independent, the N&GC shall apply the guidelines set forth below.

A director shall not be considered independent if, within the preceding two years:

- a. The director or an immediate family member was employed by or held any governance position (whether a paid or volunteer position) with USAA, the IF recognized by the International Olympic Committee (IOC) and/or International Paralympic Committee (IPC), or any sport family entity of Archery;
- b. The director was affiliated with or employed by USAA's outside auditor or outside counsel;
- c. An immediate family member of the director was affiliated with or employed by the USAA's outside auditor or outside counsel as a partner, principal or manager;
- d. The director was a member of USAA’s Athlete Advisory Council or USAA’s Para Athlete Advisory Council, an Athlete member, Coach member, Judge member, or any other member of any other constituent group with representation on the Board;
- e. The director received any compensation from USAA, directly or indirectly (other than for expenses related to the performance of the duties of a USAA director).
- f. The director is an executive officer, controlling shareholder, or partner of a corporation or partnership or other business entity that does business with USAA;
- g. The director or any immediate family member of the director had any relationship or affiliation or engaged in any activity, employment or other role that, in the judgment of the N&GC, could interfere with the director’s independent judgment;

- h. The director is/was the parent or close family member or coach of an athlete that has competed in a Protected Competition (as defined by the USOPC Bylaws); or
- i. The director is/was a member of USAA in a membership category that participates in Protected Competitions.

The Director must maintain an independent perspective by maintaining the requirements above for their entire term and any successive term with the exception of holding any governance role in the USOPC or USAA and including any reimbursement of expenses related thereto.

Section 7.7. Staggered Board.

The election of Directors of the Board of Directors shall be staggered four-year terms, except for the case of the NFAA Director who shall have no prescribed length of a term.

Section 7.8. Term Limits.

The term of office for a director (other than that of the NFAA Director) of the Board of Directors shall be four (4) years; the Board shall have the discretion to modify at any time the term of any director by no more than one (1) year as necessary to maintain the staggered nature of the Board of Directors required by Section 7.7 of these Bylaws. A director shall hold office until the director's successor is elected and qualified, or until the director's earlier resignation, removal, incapacity, disability or death.

When a Director is elected/selected to fill a vacancy because of the resignation, removal, incapacity, disability or death of a director, and the remaining term is two years or more, such term shall constitute a full term. Thus, if the vacancy being filled is for two or more years, and the maximum term is four years, the director may serve one additional four-year term following completion of the filled vacancy term. If the vacancy being filled is for less than one half the maximum term, the term shall not be a full term and the director shall be able to serve two additional full terms following completion of the filled vacancy term.

The term of the Chair of the Board shall be two (2) years. No individual shall serve as Chair for more than three consecutive terms.

Section 7.9. Director Attendance.

Directors of the Board of Directors shall be expected to attend in person all regularly scheduled Board meetings, though for exigent circumstances a director may participate in a meeting by telephone. Directors shall be required to attend no less than one half of all regularly scheduled Board meetings in person.

Section 7.10. Director Access to Management and Outside Advisors

USAA's senior management team shall attend Board meetings on a regular basis, both to make special presentations and as a discussion resource and shall be available to Board directors outside of meetings. All Board director contact with members of USAA's management team, other than the Chief Executive Officer, outside of Board meetings shall be directed to the Chief Executive Officer, though this requirement is not intended to curtail the ability of the auditor or legal counsel to advise the Board (as opposed to individual Board directors) directly of appropriate matters.

Section 7.11. Resignation, Removal and Vacancies.

Any director may resign at any time by giving written notice to the Chair or the Chief Executive Officer of USAA, except the Chair's resignation shall be given to the Chief Executive Officer. Such resignation shall take effect at the time specified therein, and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective. In addition, (i.) the unexcused absence of a director from more than one half of the regular meetings of the Board during any twelve-month period or (ii) the failure to provide required conflict of interest and other required compliance forms and required updates to the same, a current USA Archery Background Screen or a current USCSS training within 30 days of notification, shall be deemed to constitute the resignation of such director, provided, however, that such unexcused absences or any such failure shall only be effective as a resignation at such time as the subject absences or failure is confirmed by an affirmative vote of from the Board of Directors.

Directors may be removed in the following manner:

- a. A director elected by members may be removed by the membership category or body that elected such director, by a two-thirds (2/3) affirmative vote of the votes cast (excluding the voting power of the director in question) at any duly noticed meeting of such members called for the purpose of removing that director, and the meeting notice shall state that the purpose, or one of the purposes, of the meeting is removal of the director. The Board of Directors may call for such meeting upon two-thirds (2/3) affirmative vote of the directors then in office conducted in accordance with the same procedures as set forth in 7.11 (b) below.
- b. A director elected by the Board of Directors (or selected by the N&GC) may be removed by the directors then in office, by a two-thirds (2/3) affirmative vote at any duly noticed meeting of the Board called for the purpose of removing that director, and the meeting notice shall state that the purpose, or one of the purposes, of the meeting is removal of the director.
- c. Grounds for removal and the process for removal are outlined in USAA's Board Member Guidelines. No director shall be subject to removal or to not being re-named based on how they vote as a director unless such voting is part of a violation of USAA's Code of Ethics or USAA's Board Member Guidelines.

A director's position on the Board of Directors shall be declared vacant upon the director's resignation, removal, incapacity, disability or death. Any vacancy occurring in the Board shall be filled as set forth for the election of the director of the Board. A director elected to fill a vacancy shall be elected for the unexpired term of such director's predecessor in office.

Similar rules shall apply to resignations, removals, and vacancies in the office of Chair.

Section 7.12. Regular and Special Meetings.

USAA's Board shall meet at regularly scheduled meetings at least two times per year, or with such other frequency as is appropriate for the Board to meet given the circumstances, and such meetings shall be spaced throughout the year. Special meetings of the Board shall be held upon the call of the Chair or upon the written request of not less than fifty percent of the Board.

Section 7.13. Notice of Meetings.

Notice of each meeting of the Board of Directors stating the date, time and place of the meeting, and in the case of a special meeting the purpose for which the meeting is called, shall be given to each director of the Board by or at the direction of the Chair of the Board. Notice may be given either in writing or orally. Written notice may be delivered either personally, by mail, by private carrier, by facsimile or by electronic transmission. Such notice shall be delivered to the director's business or residential address (or to such other address provided by the director for such purpose), to the director's facsimile telephone number or to the director's email address. Written notice shall be delivered no fewer than five days before the date of the meeting. If mailed, such notice shall be deemed delivered when deposited in the United States mail. If delivered by private carrier, such notice is deemed delivered upon deposit with the carrier. If transmitted by facsimile or electronic transmission such notice shall be deemed to be given when the transmission is complete.

A director may waive notice of any meeting before, at, or after such meeting. The attendance of a director at a meeting shall constitute a waiver of notice of such meeting, except where a director attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened.

Section 7.14. Quorum and voting.

The presence of a majority of the directors of the Board of Directors at the time of any meeting shall constitute a quorum for the transaction of business, and the act of a majority of directors on the Board shall constitute the act of the Board.

Section 7.15. Voting by Proxy.

No director may vote or act by proxy at any meeting of directors.

Section 7.16. Presumption of Assent.

A director who is present at a meeting of the Board of Directors at which action on any corporate matter is taken shall be presumed to have assented to the action taken unless such director's dissent shall be entered in the minutes of the meeting or unless the director shall file a written dissent to such action with the individual acting as the Secretary of the Board before the adjournment thereof or shall forward such dissent by registered mail to the Secretary of the Board immediately after the adjournment of the meeting. Such right to dissent shall not apply to a director who voted in favor of such action.

Section 7.17. Action Without a Meeting.

Any action required or permitted to be taken at a meeting of the Board of Directors may be taken without a meeting if notice is transmitted in writing to each and every member of the Board and each member of the Board by the time stated in the notice either: (i) votes for such action; (ii) votes against such action; (iii) abstains from voting; or (iv) fails to respond or vote. Each director who delivers a writing described in this Section 7.17 to USAA shall be deemed to have waived the right to demand that action not be taken without a meeting.

The notice required by this Section 7.17 shall state: (i) the action to be taken; the time by which a director must respond; (ii) the time by which a director must respond; (iii) that failure to respond by the time stated in the notice will have the same effect as: (A) abstaining in writing by the time stated in the notice and (B) failing to demand in writing by the time stated in the notice that action not be taken without a meeting; and (iv) any other matters that USAA determines to include.

Action is taken under this Section 7.17 only if, at the end of the time stated in the notice transmitted: (i) the affirmative votes in writing for such action received, and not revoked, equal or exceed the minimum number of votes that would be necessary to take such action at a meeting at which all of the directors then in office were present and voted and (ii) USAA has not received a written demand by a director that such action not be taken without a meeting.

Such action shall have the same force and effect as a vote of the Board members at a duly called meeting at which a quorum was present.

Unless the notice transmitted under this Section 7.17 states a different effective date, action taken pursuant to this Section 7.17 shall be effective at the end of the time stated in the notice.

Section 7.18. Transacting Business by Mail, Electronic Mail, Telephone or Facsimile.

The Board of Directors shall have the power to transact its business by mail, electronic-mail, telephone, or facsimile, if in the judgment of the Chair of the Board the urgency of the case requires such action. Action by mail, electronic mail, or facsimile must comply with the requirements for action without a meeting as described in Section 7.17.

Members of the Board of Directors may participate in a meeting of the Board by means of conference telephone or similar communications equipment by which all persons participating in the meeting can hear each other at the same time. Such participation shall constitute presence at the meeting for all purposes.

Section 7.19. Agenda.

The Chair, in consultation with the Chief Executive Officer and the Chairs of the Board's committees, shall determine the agenda for Board meetings. Board directors shall be permitted to request items for inclusion on the agenda for Board meetings.

Section 7.20. Questions of Order and Board Meeting Leadership.

Questions of order shall be decided by the Chair of the Board unless otherwise provided in advance by the Board of Directors. The Chair shall lead meetings of the Board. If the Chair is absent from any meeting of the Board, then the Chair shall designate in writing in advance one other member of the Board to preside. If the Chair is unable to make or has not made such a designation, the Board may choose another member of the Board to serve as presiding officer for that meeting.

Section 7.21. Effectiveness of Actions.

Actions taken at a meeting of the Board of Directors shall become effective immediately following the adjournment of the meeting, except as otherwise provided in the Bylaws or when a definite effective date is recited in the record of the action taken.

Section 7.22. Open and Executive Meeting Sessions.

However, in the event the Chair of the Board, with the consent of a majority of the directors of the Board in attendance, deems it appropriate: (i) to exclude non-members at an open meeting for any reason, then the Chair may declare that the meeting is closed, or (ii) to convene an executive session to consider and discuss matters relating to personnel, nominations, discipline, budget, salary, litigation or other sensitive matter, then the Chair may specifically designate and call an executive session. Alternatively, the Board of Directors may upon its own motion, convene an executive session. Minutes of each board meeting or conference call shall be taken by the Secretary and sent to each member of the Board of Directors in a timely manner. The minutes will state high-level topics discussed in executive session, if any, and when individuals recuse themselves due to a conflict of interest.

Section 7.23. Minutes of Meetings.

A summary of the minutes of all meetings of the Board of Directors shall be published on USAA's website. -The minutes will be unofficial until approved at the next scheduled board meeting, upon which time will be published on USAA's website. Meeting minutes

ARTICLE XXI.

FIDUCIARY MATTERS

Section 21.1. Indemnification Right.

USAA will indemnify each of its present or former directors, officers, employees, committee members or official representatives, or any aforementioned individual to the extent he or she was serving another not-for-profit corporation or other entity in any capacity at the request of USAA, against all reasonable expenses actually and reasonably incurred by such person (including, but not limited to, judgments, costs and counsel fees) in connection with the defense of any pending or threatened litigation to which such person is, or is threatened to be made, a party because such person is or was serving in such capacity. This right of indemnification will also apply to reasonable expenses of litigation that is compromised or settled, including amounts paid in settlement, if USAA will approve such settlement as provided in Section 21.2 of these Bylaws. Such person will be entitled to be indemnified if they acted in good faith and in a manner they reasonably believed to be in, and not opposed to, the best interests of the corporation. The termination of any litigation by judgment, order, settlements, conviction, or upon a plea of nolo contendere or its equivalent, will not, of itself, create a presumption that the person did not act in good faith and in a manner reasonable believed to be in, and not opposed to, the best interests of USAA.

Section 21.2 Determination of Payment.

Any amount payable as indemnification under this Section 21 will be determined and paid by USAA pursuant to a determination by a majority vote of a quorum of the Board, consisting of members of the Board who have not incurred expenses in connection with the litigation for which indemnification is sought, that such person seeking indemnification has met the standards of conduct set forth in this Section 21. If such a quorum is not obtainable, or even if obtainable, a quorum of disinterested directors so directs, such determination will be made either:

- a) by the Board upon the opinion in writing of independent legal counsel that indemnification is proper in the circumstances because the applicable standard of conduct set forth in this Section 21 has been met; or
- b) by a majority vote of the members of the Board upon a finding that the person seeking indemnification has met the applicable standard of conduct set forth in this Section 21.

Section 21.3 Advance Payment of Litigation Expenses.

Any reasonable expenses incurred by such person in connection with the defense of any litigation may be made by USAA in advance of a final disposition of such litigation upon receipt of an undertaking by such person to repay such amount if it is determined under Section 21.2 of these Bylaws that such person is not entitled to be indemnified under this Section 21.

Section 21.4 Other Rights

The right of indemnification under this Section 21 will be in addition to, and not exclusive of, all other rights to which such person may be entitled.

Section 21.5 Insurance

The Board may, at its discretion, authorize the purchase of insurance on behalf of any persons indemnifiable under this Section 21. Such insurance may include provisions for indemnification of such persons for expenses of a kind not subject to indemnification under Section 21. Any repeal or modification of this Section 21 will be prospective only and will not adversely affect any right or protection of a director, officer, employee, fiduciary and agent of the corporation under this Section 21, as in effect immediately prior to such repeal or modification, with respect to any liability that would have accrued, but for this Section 21, prior to such repeal or modification.

Section 21.6. Discharge of Duties.

Each director of the Board, officer, committee and task force member shall discharge his or her duties: (i) in good faith, (ii) with the care an ordinarily prudent individual in a like position would exercise under similar circumstances, and (iii) in a manner such person reasonably believes to be in the best interests of USAA.

Section 21.7. Conflicts of Interest.

If any Director of the Board, officer, committee or task force member has or is aware of a financial interest in any contract or transaction involving USAA, or has an interest adverse to USAA's business affairs, and that individual is in a position to influence a determination with regard to the contract, transaction or business affair, such individual shall: (i) disclose the conflict of interest; (ii) not participate in the evaluation of the contract, transaction or business affair; and (iii) not vote on the contract, transaction or business affair. In addition, no member of the Board of Directors shall participate in any action of the Board or a Committee concerning an athlete or member if they have any bias or conflict of interest with the party who is the subject of said action. A violation of this rule by a member of the Board of Directors shall not invalidate the action taken by the Board or committee if, following disclosure of the adverse interest of such member, the Board or committee authorizes, ratifies, or approves the action by a vote sufficient for the purpose, without counting the vote of such member. Each member of the Board of Directors, members of Standing Committees, and employees of USAA will sign and execute a Conflict of Interest Disclosure each year.

Section 21.8. Prohibited Loans.

No loans shall be made by USAA, to any director of the Board, officer, any committee or task force member or to any USAA employee. Any Chair, director, officer, committee or

task force member or USAA employee, who assents to or participates in the making of any such loan, shall be liable to USAA for the amount of such loan until it is repaid.

Section 21.9. USA Archery Board Member Guidelines.

The property of USAA is irrevocably dedicated to charitable purposes, and no part of the net income or assets of USAA shall inure to the benefit of private persons. Upon the dissolution or winding up of USAA, its assets remaining after payment, or provision for payment, of all debts and liabilities of USAA, shall be distributed to a nonprofit fund, foundation, or corporation which is organized and operated for charitable purposes and which has established its tax-exempt status under Section 501(c)(3) of the Internal Revenue Code, as amended.

ARTICLE XXIII.

MISCELLANEOUS PROVISIONS

Section 23.1. Severability and Headings.

The invalidity of any provision of these Bylaws shall not affect the other provisions of these Bylaws, and in such event these Bylaws shall be construed in all respects as if such invalid provision were omitted.

Section 23.2. Saving Clause.

Failure of literal or complete compliance with any provision of these Bylaws in respect of dates and times of notice, or the sending or receipt of the same, or errors in phraseology of notice of proposals, which in the judgment of the directors of the Board do not cause substantial injury to the rights of the directors, shall not invalidate the actions or proceedings of the directors at any meeting.

If this Article or any Section or provision hereof shall be invalidated by any court on any ground, then the corporation shall nevertheless indemnify each party otherwise entitled to indemnification hereunder to the fullest extent permitted by law or any applicable provision of this Article that shall not have been invalidated. Notwithstanding any other provision of these Bylaws, the corporation shall neither indemnify any person nor purchase any insurance in any manner or to any extent that would jeopardize or be inconsistent with the qualification of the corporation as an organization described in section 501(c)(3) of the Internal Revenue Code, or that would result in the imposition of any liability under section 4941 of the Internal Revenue Code.

Section 23.3 Conveyances and Encumbrances.

Property of the corporation may be assigned, conveyed or encumbered by such officers of the corporation as may be authorized to do so by the Board of Directors, and such authorized persons shall have power to execute and deliver any and all instruments of assignment, conveyance and encumbrance; however, the sale, exchange, lease or other disposition of all or substantially all of the property and assets of the corporation shall be authorized only in the manner prescribed by applicable statute.

Section 23.4 Designated Contributions.

The corporation may accept any designated contribution, grant, bequest or devise consistent with its general tax-exempt purposes, as set forth in the articles of incorporation. As so limited, donor-designated contributions will be accepted for special funds, purposes or uses, and such designations generally will be honored. However, the corporation shall reserve all right, title and interest in and to and control of such contributions, as well as full discretion as to the ultimate expenditure or distribution thereof in connection with any such special fund, purpose or use. Further, the

corporation shall acquire and retain sufficient control over all donated funds (including designated contributions) to assure that such funds will be used to carry out the corporation's tax-exempt purposes.
