

USA Archery Dress Code Policy Adopted: July 2022

The USA Archery (USAA) Dress Code Policy applies to the following individuals when in front of the Spectator Line at USAA Sanctioned Events: athletes, coaches, managers, credentialed media, team officials, tournament officials, and archer agents.

1. Must present a professional, athletic appearance while on the field. (torn, ripped, or heavily soiled clothing articles are not allowed.)
2. Shorts, skorts, and skirts must be professional in appearance and length.
3. Camouflage clothing is only **disallowed** for broadcast/live streamed medal matches at national events and after the first cut at U.S. Team Trials Events.
4. Denim is allowed, but must not be torn, ripped or have holes. See Appendix A.
5. Leggings (tight fitting/yoga-type stretch pants) are allowed but must not be transparent/translucent above the knee.
6. Upper garments must cover the front and back of the body, and the midriff when at full draw. They must also have sleeves.
7. Shoes must cover the entire foot unless pre-approved by USAA due to an injury or disability. Sport/athletic shoes are recommended.
8. At no time will any article that bears wording, insignias, innuendo or images determined by USAA to be offensive or inappropriate be allowed on the field of play.
9. When participating in the USAA Collegiate Target and 3D Regionals and Nationals, archers and team officials must wear tops that indicate what school they are representing. Apparel must conform to all university rules regarding school logo usage. During the Team and Mixed Team Rounds, all members of one team by class and division shall be dressed in the same team uniform. The teams of one school may wear different designs and color uniforms (i.e. teams in different classes and divisions are not required to match). Team coaches and managers may wear a different style uniform than the team but should wear the same colors and should be easily identified as the official of their team. Headwear is optional. In the case of inclement weather, exceptions will be made by Chairman of Judges (i.e. raingear, jackets, etc.).

USAA has final discretion on the implementation of the Dress Code Policy.

The current USA Archery (USAA) Dress Code Policy states, “Denim is allowed, but must not be torn, ripped or have holes.” The intent is to have a professional presentation of the sport for spectators attending our events as **well** as those who view the digital media coverage. Below is clarification as to the intent of the policy.

Above are examples that are **NOT** permitted within the policy intent due to being torn, ripped, having holes or fray at the hem typically as a result of wear and tear or otherwise modified.

Above are examples permitted within the policy intent with the raw hem as a stylistic aspect and is *not* considered to be torn or ripped.
